## **FORENSICS CONSULTING SOLUTIONS RANKS IN THE TOP THIRD OF THE 2008 INC. 5000 FASTEST GROWING COMPANIES IN THE COUNTRY**

Phoenix, AZ – August 21, 2008 – Forensics Consulting Solutions, LLC, (FCS) a premier provider of E-Discovery solutions to legal and corporate clients, today announced it has ranked on *Inc. Magazine's* 27<sup>th</sup> Annual Inc. 500 list. FCS has been recognized as one of the fastest-growing private companies in the U.S. The list is the most comprehensive look at the most important segment of the economy – America's independent-minded entrepreneurs. FCS was honored to receive a ranking of #1,250 in the Inc. 5000 Fastest Growing Private Companies in America; placing FCS in the top third of the ranking.

FCS, whose home office is located in Phoenix, AZ, also ranked #26 in the Top 100 Inc. 5,000 Companies By Metro Region for the Phoenix-Mesa-Scottsdale, AZ area. The company of approximately 96 employees experienced a phenomenal growth rate of 302.7% between 2004 and 2007, by working with a broad range of companies in sectors such as finance, energy, technology, and entertainment.

Chief Executive Officer and Founding Member, Kelly "K.J." Kuchta and his wife, Managing Partner, Nancy Kuchta, founded the company in 2001 as a computer forensics company with just two employees. FCS quickly moved into the area of electronic discovery, and document processing services for legal teams and corporations. The company rapidly earned a reputation in the field of E-Discovery as an organization who functions daily on behalf of their clients as a true trusted advisor, whose focus is always the client's best interest. As such, FCS has had the honor of being involved in some of the largest litigation matters on the planet.

Accomplishments by the FCS staff, include several "firsts", including the successful capture of the largest known single server image of 7 Terabytes. Experts in the computer forensic community thought such an acquisition was impossible, but FCS employees persevered and made it happen.

The announcement of FCS's rankings in the Inc. 5000 and the Top 100 Businesses by Metro Area coincides with the launch of the company's newly designed website. For more information about FCS, visit them on the web at [www.forensicsconsulting.com](http://www.forensicsconsulting.com).

**About Forensics Consulting Solutions, LLC:**

Founded in 2001, Forensics Consulting Solutions is a boutique consulting firm with a global reach that includes North and South America, Europe, the Middle East, and Asia. Working with a select group of clients, FCS has been an integral contributor to a number of high-profile litigation and M&A activities in recent years. Projects have included the Michelson v. Medtronic's litigation, the P&G/Gillette and Sprint/Nextel mergers, and the ongoing AMD v. Intel litigation.
